Our ref: 614483

Dear Sir/Madam,

A590 Greenodd to Ayside Speed Reduction

I am contacting you about a forthcoming safety improvement scheme on the A590 between Greenodd and Ayside. The works are due to start on the 14 August 2023 for 8 weeks.

The works will involve installing new speed limit signage to indicate changes made to the speed limits which are:

- A590 Greenodd to Roan Wood : reduction to **50mph** from existing 60mph
- A590 Haverthwaite dual carriageway : reduction to **60mph** from existing 70mph
- A590 Newby Bridge to Canny Hill junction : reduction to **40mph** from existing 60mph. This section includes Newby Bridge garage.

In addition to the changes to the speed limits, average speed cameras will be installed in 9 locations to enforce the speed limits. The works will be carried out overnight between 20:00 and 06:00 under a combination of temporary traffic lights and lane closures depending on location.

We would like to apologise in advance for any inconvenience this may cause you. Your ongoing support and co-operation are much appreciated and help to keep our workers and other road users safe.

In the meantime, if you have any queries about our work, please contact us on 0300 123 5000 or email - info@highwaysengland.co.uk.

Yours faithfully,

William Paterson
