## Grants available for Community Groups

Haverthwaite Parish Council has allocated a small amount of money to support communities across the Parish.

Are you part of a group or organisation who could make good use of additional funds? This could be a Community Centre needing new/replacement items or towards minor repairs or it could help a community group buy equipment etc.

Please contact the Parish Clerk at  
[clerk@haverthwaitepc.co.uk](mailto:clerk@haverthwaitepc.co.uk)  
for an application form

**Grant applications will be considered at the PC meeting taking place on 18<sup>th</sup> January 2024 so please apply now and don't miss out in your community!**
